## A LUXURIOUS PROPERTY WITH PERSONALITY

Once inside the 360 m<sup>2</sup> (or 3875 ft<sup>2</sup>) property, you will be welcomed by a magnificent entrance hall, Living rooms that are bright and filled with natural light, and a superb layout that prioritizes both comfort and style.

With two couches arranged around the fireplace and a Sony A1 Smart Android TV equipped with Netflix, premium cable, and ordinary wiring, the living area is the perfect spot for visitors to relax and enjoy each other's company.

Enter the spacious and sophisticated kitchen with all the high-end Gaggenau appliances you might want to prepare a three-course dinner or a hearty breakfast. Your kitchen needs will be met with a full-size refrigerator/freezer, juicer, oven, gas burner, microwave, French press, Cappuccino maker, and dishwasher to make your life easier.

The four large bedrooms are on the other floors; you'll find the finest linens and bedding on each bed and plenty of room to spread out and get comfortable. The spa and fitness center and a room that can accommodate extra children or visitors are located on the lower floor. This room can accommodate an additional 2 guests with the addition of single folding beds. We also have highchairs and cribs available.

Your search for the perfect vacation rental in sunny Glyfada can end here if you seek an ideally located, cutting-edge, luxurious, and spacious villa to welcome your entire family or group in resort-style elegance and comfort.
